Our current total for 2008 is **3209** as of July 2nd. We have already passed last years' total. We are quickly approaching our all time high of 3282. In 2006 we had almost 400 people register between July and October. That would indicate that we may get somewhere around 3700 for this year, which would be greater than a 10% increase.

IMPORTANT NOTE: We had a swimmer who went online in May and gave his credit card, and it was charged. But for some reason the database was not updated and it didn't show a current registration until he tried again last week. I have not been able to get a satisfactory explanation for this from Club Assistant. I have requested that he be refunded for the overpayment, but they haven't done that yet. I can only hope that we don't have any other swimmers who are caught up in this same problem.

Newsletter: I am working on the September/October issue of the newsletter. It has to be to the printer on August 4th. The mailing date is expected to be August 29th, so they can include information on Long Course Nationals in the issue. We have already received our July/August issue.

Top Ten & Records: I have submitted the 2007-08 SCY Top Ten. Robert Mitchell currently owes me a bunch of paperwork and files from recent meets.

Library: Lending is in the mid-summer lull. I expect it to pick up after the Olympics; folks have enough other swimming to watch right now.

The SPMA Office will be closed from July 4-14. I will be in email contact.
