Our current total for 2009 is **2377** as of January 19th. We are about 22% ahead of last year's end of January total, with nearly two weeks left in the month. The number of new clubs will certainly help our registration totals, along with SCY Nationals in Clovis.

I seem to be getting a lot of cards returned by the post office for bad addresses. Many of these were online registrations. Chasing down the correct address is time consuming, so we need to encourage swimmers to keep their addresses up-to-date and not rush through the registration process. I have 10 addresses that I have been unable to resolve because the swimmer has not replied to my email.

Newsletter: The March/April issue of the SPMA newsletter will be sent to the printer tomorrow.

Top Ten & Records: Short course meters Top Ten was submitted. I was able to use the file generated from the USMS Results database for both the individual and relay swims. I had to do a few edits by hand to add splits and correct one relay.

Library: Lending dropped off a bit during the holidays, but is starting to pick up again.
