Our current total for 2009 is **3161** as of March 17th. We are still ahead of last year by a significant amount although the difference is less than it was at the end of January, suggesting that the availability of online registration has caused people to register earlier. It remains to be seen if our increased numbers will carry through the end of the year.

**Newsletter:** The May/June issue of the newsletter is in the hands of my trusty editors and will be sent to the printer this week.

**Top Ten & Records:** Everything is up to date in terms of paperwork and data.

**Library:** Lending is very strong after having dropped off during the holidays.
