Our current total for 2009 is **3578** as of May 13th. We have 667 more members this year than at the same point last year. We registered our 3578th swimmer last year on August 8, 2008. I believe that we will easily have more than 4000 members at the end of this registration year. We will probably have enough for another delegate to convention.

Newsletter: The July/August issue of the newsletter is nearing completion and will be to Errol and others by the end of the week. It has to be to the printer by May 19th.

Top Ten & Records: Everything is up to date in terms of paperwork and data, except I have not received the data file for the Palm Desert meet (recognized) despite repeated requests.

Library: Lending is very strong after having dropped off during the holidays.

Registrar bid: There have been several tasks that I have been asked to do over the years that are not specified in my contract. SPMA needs to decide whether or not these items will go into the bid specification:

1. invoicing for awards, tracking and depositing awards payments
2. emailing event directors sanction paperwork, collect and deposit sanction payments
3. pool measurement tracking and submission
4. create 1099s for the treasurer to mail to SPMA's independent contractors
