

SPMA Top Ten Recorder November 2010 Report

The paperwork from the SCM Oct. 3 Mission Viejo meet has still not arrived. I am assuming it is lost.

The paperwork from the SCM Oct. 24 UCLA meet has arrived. The 1 record application is being put together.

The paperwork from the SCM Nov. 7 Santa Clarita meet has arrived. The 4 record applications are still being put together. I am waiting for referee contact information.

I'm still waiting for the correction to George Polizos' club transfer to be officially made in order to validate his relays from the Mission Viejo meet.
