Our current total for March is 3234. We are only a couple of a percent ahead of last year. This is a significant drop off in growth, after experiencing double digit growth for the past two years.

Newsletter: I am working on the May/June newsletter and will have it submitted by the end of the week. I was told that the Mar/Apr issue of the magazine was being mailed on March 12th.

Top Ten & Records: I have finally received the results from the Palm Desert International Sports Festival. This is the recognized event that we did not receive any results from in 2009. *I would like to make a motion that we not sanction or recognize an event that we don't receive results from for two consecutive years.* This would be a good policy to have if this happens again in the future. We are up-to-date on all other events.

Domains: I have transferred and renewed spma.net (good until 10/23/2019) and registered swzoneswimming.org (for 5 years). I will provide Chris Lundie and Nancy Reno the godaddy.com username and login for those domains as backup as soon as I can figure out how to remove my credit card from the account.

Library: Lending is picking up.
