

SPMA Top Ten Recorder March 2011 Report

I'm still waiting for meet paperwork from the LVM meet of 1/22.

The Rose Bowl meet of 2/5 had 2 National Records. I'm still waiting for the paperwork for those records so they can be submitted.

I'm still looking for useable results from the Palm Desert Senior Games on 2/6 and valid pool certification.

The FAST meet on 2/20 had no National records. I've received all of the paperwork.

No results have been sent to me for the Caltech Pentathlon on 3/6.

The letter of appeal to FINA for the missing Mixed World Record relay from LVM from last July's LCM meet was sent to FINA in early March. We received a reply on 3/14 from the executive director of FINA that their decision was not to recognize the record. No explanation was given.
