

SPMA Top Ten Recorder May 2011 Report

I'm still waiting for meet paperwork from the following meets:

LVM meet of 1/22.

Rose Bowl meet of 2/5

Caltech Pentathlon on 3/6

Mission Viejo on 3/20

UCLA on 4/3

UCI on 4/10

SLO LCM on April 9&10

I'm still looking for useable results from the Palm Desert Senior Games on 2/6 and valid pool certification. Without it, the times will not be included for Top Ten.

There was 1 National record set at the UCLA meet on 4/3, but I'm still waiting for the paperwork in order to get it submitted. I've been in contact with the official who promised it soon.

National records set at the Santa Clarita meet on 4/17 have been submitted and the meet paperwork has been received.

I should be receiving the results soon from the La Mirada SCY Championship meet last weekend, May 13-15th.

If anyone has times from a USA meet that they want included in the Top Ten, they should contact me with the information by the end of May.
