

# **SPMS Meet Coordinator Report**

Tuesday, November 15<sup>th</sup>, 2011

In October we had the UCLA Meet. There were some problems at the Meet.

In the month of November we had the Mission Viejo Meet, at that meet we had bad weather and deck entries were low.

I also had a luncheon where the Red Cross came in and spoke about their organization.

I have the 4 awards we are going to pass out at the Championship Meet at Belmont.

The ribbons that we just ordered came to my house.

On Saturday I'm going to help set up for the Swim Meet, that will be at Pierce College.

At the Swim Meet on Sunday they will have a moment of silence. Last month a swimmer on the Master Team died.

Belmont is all set. I have spoken to the Meet Director and he is ready.

After the Championship Meet I will order more Medals for next years Swim Meets.
