

## ASCA Regional Clinic Spec sheet

Thank you for your interest in hosting an ASCA regional Clinic. As you know, coaching and coach education is an integral part of the health and growth of our sport so your interest in promoting this aspect says a lot about your club's commitment to the future.

The following is a list of things that would be beneficial in facilitating a great clinic.

Things that are preferred.

1. LCD projector/screen or the ability to rent/borrow.
2. Flexible seating for x number of people in a climate controlled classroom/meeting room.
3. On site copier/nearby copy center/store.

Things that are helpful but certainly not required. (comfort items)

1. Access to concessions/water/snacks/catering.
2. Nearby restaurants
3. Recreational/social facilities.

This is not a checklist and does not mean that one bid would be stronger than another. We are looking to certify as many coaches as possible and continue to raise the level of professionalism of Masters Coaches so please state your case if you feel your site offers things that could factor into the decision making process.

Thank you very much for your interest.
