

**SPMA Registrar's Report
As of January 13, 2004**

Clubs: We had a total of 57 clubs registered for 2003 (compared to 54 for 2002 and 55 for 2001). We currently have 46 clubs registered for 2004. I am still holding registrations for TEAM Masters, Bakersfield Swim Club and Bakersfield Gold Wave Masters. I sent out reminders to all outstanding clubs on January 5th.

As of January 13, 2004 we have a total of 1230 swimmers registered for the 2004 registration year.

Newsletter: I am working on the March/April issue. I still need information for the UCLA, Loyola, and UCI meets.

Invoicing and Renewals: I have mailed out 2744 invoices to 2002 and 2003 members in the last 3 weeks. I am already receiving the first batch back. I started by sending out email invoices to all swimmers with email addresses and received a lot of them back, along with a lot of positive feedback. I plan to do it earlier next year since it worked so well and we saved a lot of money by doing it. Next, I sent paper invoices in December to all 2002 (398 swimmers) and 2003 (852 swimmers) who hadn't registered. Last weekend I mailed paper invoices to those with email addresses that hadn't replied to the email invoice (529 swimmers from 2002 and 965 swimmers from 2003).

Top Ten & Records: 2003 SCM Top Ten is due on January 26th. I am close to having all the information I need to produce the Top Ten. There is a question about the ages in the database for the UCLA and Pierce College meets. One swimmer is in the database with two different ages, since she aged up between meets, and that should show in meters meets.

Librarian: Lending, especially of the Quick series, remains strong.
