Our current total for 2005 is 1118. This is slightly low, mainly due to the late delivery of SWIM Magazine, which reached peoples mailboxes only this past weekend. There is also a problem with the email invoices ending up in spam folders.

Newsletter: I am currently working on the Mar/Apr issue of the SPMA newsletter, which will be the first issue published as an insert in USMS Swimmer. We do not yet have a contract with USMS Swimmer because we are waiting on USMS to finalize the contract with Douglas Murphy. Since most of our SCY meets are in the Mar/Apr issue this could present a problem, especially if it is not mailed on time.

Top Ten & Records: The 2004 short course meters Top Ten submission is almost ready for submission. I am missing some data needed for one record from the Holiday invitational. I am also missing registration numbers for most of this submission.

Invoices: At the end of December I sent paper invoices to all those 2004 swimmers without email addresses. I plan to send out mail invoices to all those with email addresses in the middle of January.
