Newsletter: I am currently working on the May/June issue of the SPMA newsletter. The Mar/Apr issue (first issue in USMS Swimmer) went well, and was only about a week later than expected.

Top Ten & Records: I have the hard copy and data files for all short course yards meet to date except the Caltech pentathlon. Frank Piemme has set several records so far this year.

Bounced Checks: We've had a spate of bounced checks, including one swimmer who bounced a check and then her replacement check also bounced. I would like to propose the following policy:

1. If a swimmer's check bounces they are immediately suspended until they have made good on the check and all fees.
2. Payment for the bounced check and fees shall only be by bank cashier's check, money order or cash. Personal checks will NOT be accepted.
3. There shall be a \$15 fee for all returned checks.
