As of May 21, 2003 we have a total of 2091 swimmers registered for the 2003 registration year.

Newsletter: The last issue of SWIM Magazine, with our newsletter insert was delivered before the 1st of May, by all recollection a record. I am currently working on the July/August issue of the newsletter, and I have all the meet and open water event information already! All other material needs to be in this week. I am very pleased with how easy it is to work with the printers.

Top Ten & Records: I am still trying to get together all the data I need to do the SCY top ten. I am missing the timing sheets from the UCLA meet, but they were put in the mail today.

Librarian: Library rentals are picking up, now that the list of available videos is being published in the newsletter.

Conference Calling: Costco offers a conference calling plan for casual users. The one time sign up fee is \$9.90, but comes with 100 included minutes (plus 100 more if I sign up before June 30th). The per minute rate is 9.9 cents, cheaper than the rate of the previous calling plan. There is no monthly fee. We have up to 16 lines so it will still be important to share. I can always call someone on the SPMA phone line and conference it with my phone, so that gives us 17 lines, which should be plenty based on past usage (the most lines we've used has been 12 or 13). **MOTION: To have me sign up for the Costco Conference Calling plan.**

USMS Brochures: I have brought the new USMS brochures. There is room on the back for local information. **MOTION: To purchase a rubber stamp with the SPMA logo and address, cost not to exceed \$30, for the purpose of stamping the backs of the brochures.** There will still be half the space left for clubs to add their own address.

Business Cards: I have had a request from one of our committee members for additional business cards. I would like to know if I should make cards for all delegates for convention and all SPMA committee members who would like them. I need to purchase new business card stock. **MOTION: To purchase business card stock and make business cards for delegates and executive committee members.**
